Jeffrey S. Reznick, Healing the Nation: Soldiers and the Culture of Caregiving in Britain During the Great War. Healing the Nation: Soldiers and the Culture of Caregiving in Britain During the Great War. Manchester University Press, 2005. xii, 262 pages. £19.95. ISBN 0-7190-6975-0.

Healing the Nation: Soldiers and the Culture of Caregiving in Britain During the Great War is a study of caregiving during the Great War, exploring life behind the lines for ordinary British soldiers who served on the Western Front. This book examines the role of the Salvation Army in providing care and support for soldiers, as well as the impact of the war on British society and culture.

The book explores the ways in which the war affected British society and culture, including the impact on families, the role of women in society, and the impact on the economy and industry. It also examines the role of the Salvation Army in providing care and support for soldiers, and the impact of this work on broader cultural trends.

Healing the Nation: Soldiers and the Culture of Caregiving in Britain During the Great War is an important contribution to the study of the First World War and its impact on British society and culture. It provides new insights into the ways in which the war affected ordinary people, and the role of the Salvation Army in providing care and support for soldiers.

This book is an excellent resource for anyone interested in the history of the First World War, the role of the Salvation Army, and the impact of the war on British society and culture.
